

## **RECRUITMENT BULLETIN**

**USACE Mobile District, Operations Division  
Natural Resources Specialist; GS-0401-05  
Promotion Potential = GS-09  
Duty location: Alabama Rivers Lake, Benton, AL**

**This position is being filled under the Direct Hire Authority for Certain Personnel of DOD Workforce.**

**TARGET GRADE FOR POSITION IS GS-9**

**Date Opened: January 26, 2022**

**Date Closed: February 9, 2022**

**Annual Salary: GS-05: \$36,118 - \$46,953**

### **About the Position:**

This is a developmental position description to the target level assignment of GS-09. Assignments become progressively more difficult until the target level of GS-09 is reached.

The incumbent will serve as a natural resources management specialist as part of a multi-disciplinary team for a Corps water resources development project that includes among authorized purposes, a mission to manage and conserve natural resources, consistent with ecosystem principles, while providing quality sustainable public outdoor recreation experiences.

**\*Type of position:** Full-Time, Permanent Position.

### **Duties of position:**

- Performs a wide variety of difficult assignments involving all aspects of project operations including Recreation, Contract Administration, Environmental Stewardship, and Environmental Compliance.
- Maintains the project Geographic Information system (GIS).
- Participates in the project's environmental compliance program.

- Participates in monitoring lake and watershed quality and assist in investigating sources of degradation.
- Assists in developing plans for facility improvements that are consistent with current and future demands.
- Provides technical assistance regarding vegetation management at recreation facilities, including shade tree health and hazard tree detection and removal.
- Develops standard operating procedures in accordance with applicable policies and regulations.
- Enforces Title 36 CFR by educating the visiting public on project purposes, conditions, policies, and regulations.
- Conducts public relations services for the general public and for special groups.

**Individual Occupational Requirements for all Natural Resources Management and Biological Science Series Positions:**

Degree: biological sciences, agriculture, natural resource management, chemistry, or related disciplines appropriate to the position.

OR Combination of education and experience: Courses equivalent to a major, as shown above, plus appropriate experience or additional education.

**Minimum Qualifications for the GS-05, Natural Resources Specialist:**

Applicants who meet the basic requirements described in the individual occupational requirements are fully qualified for the specified entry grade (GS-5).

**NOTE:** You must submit your unofficial transcripts demonstrating a confer date of graduation with your application for this employment opportunity. If selected, official transcripts are **REQUIRED** to be submitted.

**Conditions of Employment**

This position requires a valid, State issued motor vehicle driver's license.

This position requires a U.S. Army Corps of Engineers (USACE) small boat operator license within two years of employment.

Serves as an incidental motor vehicle operator. Operates an automobile, light truck, ATV or motorboat to accomplish assigned duties. Employee must be able to operate motor vehicles without danger to self or others. Must be able to maintain required Corps of Engineers certification for operation of motorboats.

This position requires the wearing of a uniform.

**Multiple vacancies may be filled under this bulletin.**

**How to Apply:** Resumes and unofficial transcripts must be received by 11:59 P.M. CST on TBD. Please include detailed information about your experience in your resume. Your resume may be submitted in any format and must support the specialized experience described in this announcement. If your resume includes a photograph or other inappropriate material or content, it will not be used to make eligibility and qualification determinations and you may not be considered for this vacancy. For qualifications determinations your resume must contain hours worked per week and the dates of employment (i.e., HRS per week and month/year to month/year or month/year to present). If your resume does not contain this information, your application will be marked as incomplete and you will not receive consideration for this position. This position has a positive education requirement. Transcripts must be submitted showing degree conferred. E-mail complete resumes, optional cover letter/statement of interest and unofficial transcripts to: [kelli.m.little@usace.army.mil](mailto:kelli.m.little@usace.army.mil).

Do not send resumes or any supporting documents with photos or PII (Personally Identifiable Information) as this will result in not receiving consideration.
